

PRESS RELEASE

Discovery Hospitality Corporation (safely) brings back familiar experiences in the new normal

July 27, 2020 / Manila: Over the past few months, we've all had to reweigh what it means to feel safe as we adapt to new ways of life. Heightened awareness. Increased distance. We've become more selective about where we go. We've secured our homes and workplaces. And while we've learned to adjust, thanks in great part to online resources, there are some things still meant to be shared in person.

Discovery Hospitality Corporation (DHC), the management company behind award-winning brands Discovery Shores Boracay, Discovery Primea Makati, Club Paradise Palawan, and Discovery Suites Ortigas, launches **Safe Space**, a trailblazing initiative re-imagining meeting, event and celebration spaces and making them safe in the time of the global pandemic.

From the launch of Home Safe program ensuring best practices in safety, service and care among Discovery's hotels and resorts, to partnering with **Lysol**, Safe Space combines Discovery's signature brand of hospitality and strong commitment to guests' safety.

Working from home has its perks, but for times when face-to-face meetups are called-for, safe space has to be expanded beyond usual limits. With DHC's shared **Safe Space** program, enjoy the comforts and safety of Discovery hotels.

Interview for an hour or the whole day. Meet professional partners: architects, educators, doctors, stylists within safe spaces inside Discovery Suites Ortigas and Discovery Primea Makati. Close deals in the city's premium addresses. Select desired service through the Safe Space booking platform: book preferred schedule, pay online, and relish in luxurious spaces sanitized on a per-use basis. Get personal appointment calendar for Discovery meetups. Re-imagine co-working space at Discovery. Meeting spaces are sanitized after each use following DHC's safety and sanitation protocols with Lysol products.

Once the government permits social gathering, **Safe Space** will likewise allow guests to enjoy **essential moments** in their safe space of choice (home, office or Discovery property) and focus more on what's at hand. Birthdays, weddings, staff meetings, corporate events, DHC's **essential team** will ensure a safe and responsible gathering based on guidelines set by no less than the Department of Tourism.

Can't host in-house? DHC offers **Space Rentals**, taking care of the health and sanitation requirements, design, and other key elements with the client's or its in-house event planners. Intimate get-togethers crafted with the utmost attention to detail, none too small.

DISCOVERY

HOSPITALITY

Re-imagine the new normal, and discover familiar, longed-for moments and enjoy new experiences in safe spaces. Find out more about **Safe Space** through www.safespace.com.ph today.
